Laura,

Attached is my draft language for the consultation invitation to the Tohono O'odham per our conversation just before the holidays. I wanted to run it by you to ensure that I captured the message(s) that you were hoping for. Jared indicated that he would like to sign this letter himself, so I have prepared it that way.

As requested by Jared, we got an extension of the deadline for the Controlled Correspondence (red folder) that this letter will also close out. New due date is January 10, so if you aren't in the office this week, we can just discuss this next week upon your return.

Thank you.

- Carter
